COMMUNITY CENTER RENOVATION

The Town will begin renovations in the Community Center, located on Main Street. The renovation will consist of a new false-ceiling being installed, new flooring in the Community Room & the former Finance Office, along with new paint throughout the building.

Upon completion of these updates, the Town will display community & town-oriented items from the past & current for the public's viewing pleasure. Some of these items include the original wooden street signs, ice scraper from Swede's, an iron claw from Langford's prior police department, a Langford Boy Scout flag, and the Town's original plat from on onion-paper.

If you have an item(s) you'd allow the Town to display, please contact Kaitie at the finance office. Each item will be labeled with the owner's information & can be retrieved at any time.

- OLE & LENA -

One day Ole was at the store and was talking with a gentleman when he said, "I really don't know what I should get Lena for our anniversary."

"Well, what did you get her last time?" asked the other.

"I took her on a trip to Germany," answered Ole.

"Maybe you should take her on another trip," suggested the other.

Ole thought for a while and then said happily, "It would be the perfect gift! I'll send her a airline ticket so she can come back!"
