Langford Board of Trustees

The Langford Board of Trustees met in special session Monday, May 14, 2018 at the Finance Office, with President Todd Sell, Trustee Jordan Hupke, Trustee Orrie Jesz, Utilities Manager Blair Healy, Assistant Utilities Manager Joe Keough, Finance Officer Melody Swearingen, and School Board President David Planteen present. Steve Miller, Project Manager for the school addition/renovation project joined via computer conference.

Miller provided information regarding plans for drainage from and around the school, and assured the Board of Trustees that they will provide updates throughout the project. The City and the School will work together to assure the best possible outcome regarding drainage and utility services.

Miller informed the city council that the relocation of the existing storage building will be amended to meet set-back requirements.

The building permit for the schools addition/renovation project was approved.

Healy, Keough and Planteen left the meeting at 6:40 p.m.

In other business, the City signed documents for the purpose of becoming a customer of Southwest Power Pool, who will bill us for transmission fees in the future.

The meeting adjourned at 7:00 p.m.

The Town of Langford is an equal opportunity provider.
