A regular meeting of the Board of Trustees, Langford, SD was held at 8:00 PM April 6, 1992. President Nelson called the meeting to order with Trustees Bruce Likness and Montfred Liknes in attendance as well as Donald Foote. Don Jondahl appeared at the meeting and discussed with the Board some alternatives in constructing a Community Hall larger than those presently available, utilizing part of the Centennial money in the project. Alternatives presented were: (1) Add on to the existing Community Hall; (2) Add on to the Legion Hall; and (3) Rehabilitate the Legion Hall. The Board requested that a survey of the community be taken to determine whether or not this was something the majority of the community wanted. Don Jondahl requested that he be authorized to sell fireworks within the city limits. It was pointed out that this was in violation of Langford City Ordinances and no further action was taken. He left the meeting at 8:40 PM.

The minutes of the regular meeting held on March 2, 1992 were read and approved as read. The Finance Officer gave the following report:

The Board instructed the Finance Officer to send out notices on dog and burning violations. The Finance Officer advised the Board that the Department of Environmental and Natural Resources had requested additional data before approval of the Rubble site was granted. This called for approval from the U. S. Wildlife and also a release from the local zoning commission as to zoning violations.

The Generic Facilities Plan prepared by Helms and Associates was reviewed and the alternatives for the Wastewater System Improvement Project were discussed. The Finance Officer was instructed to set a meeting with Helms and Associates for a detailed review of the Plan.

The Board would convene as the local Tax Equalization Board beginning April 20, 1992 through April 25, 1992. The Marshall County Director of Equalization would hold a meeting in the courthouse on April 14, 1992.
