A Special meeting of the Board of Trustees, Langford, SD was held at 8:00 PM April 21, 1992, Purpose of the meeting was to review the Generic Facilities Plan for Wastewater System Improvements in the Town of Langford with Helms and Associates, Consulting Engineers who developed the plan. President Nelson called the meeting to order with Trustees Bruce Likness, and Montfred Liknes in attendance as well as Donald Foote. Terry Helms and Bob J. Babcock were present, representing Helms and Associates.

Bob Babcock reviewed the plan with the Board and they discussed the several alternatives contained in the Plan. Proposed costs contained in the Plan ranged from $334,680.00 to $569,009.00. After a thorough discussion with Mr. Helms and Mr. Babcock, the Board did not select a specific alternative at this time. It was decided to hold a Public Hearing sometime in May in order to get feedback from interested citizens before settling on a particular option, if any.

The Board adjourned at 10:00 PM.
