SPRING CLEAN UP

The Board of Trustees, Langford, S.D. during their regular meeting held on May 4, 1992, designated the week of May 11th thru May 16th as Spring clean up for the citizens of Langford. Residents are encouraged to take special actions to rid their yards of tree limbs, leaves, and unsightly debris in order to help beautify the town. In making the announcement, Town President Montfred Liknes noted that some few yards in particular are littered with eyesores that could be cleaned up with very little effort. He also commented that we should be setting a good example for our young High School graduates to be proud of during a time when school activities will be attracting out-of-town visitors which will be followed up by summer vacations when many former graduates return to visit friends and relatives.

Dear Keith:

This letter is to inform you that the Board Of Trustees have been receiving complaints concerning offensive odors in the air when large livestock trailers are parked in or near residential areas within the city limits.

At the regular meeting held by the board on May 4, 1992, this matter was discussed and it was decided that you should be informed of this by letter since you probably were not aware that any complaints existed.

We hope you understand the nature of the complaints and will cooperate in resolving the matter.

Thank you.
