Published 7-15-92

July 8, 1992

A regular meeting of the Board of Trustees, Langford, SD was held at 8:00 PM July 8, 1992. President Montfred Liknes called the meeting to order with Trustees Nelson and Bruce Likness in attendance as well as Donald Foote. The minutes of the regular meeting held on June 1, 1992 and the minutes of the special meetings and the public hearing held on May 27, 1992 and May 29, 1992 were read and approved as read. The Finance Officer gave the following report:

	GENERAL	ENTERPRISE
Balance 5-31-92	34,919.07	313,412.12
Receipts	2,159.75	14,670.05
Expenditures	1,372.18	11,559.05
Balance 6-30-92	35,706.64	316,523.12

The Board reviewed a request from the U.S. Environmental Protection agency, Denver, CO to designate industries in Langford who discharge into the City Sewer System any of the 26 types of Categorical Industries listed in the letter. The Board directed the Finance Officer to submit a negative report since it was felt that none existed in Langford.

A letter from the Department of Environment and Natural Resources, Pierre, SD informed the Board that the Town of Langford's permit application as solid waste disposal facility did not meet certain site restrictions under the general permit for a restricted use site; however, they would issue an individual conditional permit. Once issued the permit would be good for five (5) years.

A letter from the Department of Environment and Natural Resources, Pierre, SD informed the Board that the Town of Langford's request for a $30,000.00 grant from the Consolidated Water Facilities Construction Program was turned down at the June 11, 1992 meeting. It further stated a reconsideration of its decision would be made if the Town of Langford would reapply in a future funding round.

Trustee Nelson moved, seconded by Trustee Bruce Likness to submit a status update form to keep the upgrade of the waste treatment and collection system on the 1993 State Water Plan. Aye all.

Trustee Nelson moved, seconded by Trustee Bruce Likness to authorize Town President Montfred Liknes and Finance Officer Sherman Olson to submit several additional forms required for the Langford EPA Construction Grant Application. Aye all.

The Finance Officer was instructed to complete the Needs Survey to identify wastewater needs for the Town of Langford that are expected to occur in the next twenty (20) years. The needs survey was directed by the U. S. Environmental Protection Agency, Denver, CO. and also by the State Office.

The Board was informed that a Categorical Exclusion Determination had been made by the Environmental Protection Agency in connection with the upgrading of the local wastewater treatment facility. EPA is exempting the project from further substantive environmental review requirements under the National Environmental Policy Act.

The Finance Officer was instructed to publish a notice in the paper concerning removal of dead trees in Langford especially those suspected of having Dutch Elm Disease.

A discussion of the spraying of mosquitoes resulted in the Board directing the Utilities Manager to locate an acceptably safe spray and to rent a sprayer, upon doing so to spray the town.

Trustee Bruce Likness moved, seconded by Trustee Nelson to approve the building permit submitted by Florence Hanson. Aye all.

Trustee Dennis Nelson moved, seconded by Trustee Bruce Likness to approve the building permit submitted by Byron Utter. Aye all. The Board also authorized Mr. Utter to build new BB Boards for the Athletic Court.

Applicants for the City Finance Officer position were discussed without any final confirmation of an appointment being made.

Trustee Nelson moved, seconded by Trustee Bruce Likness to approve and authorize payment of the following bills: Aye all.
