Dear Dennis:

It was the Board of TRustees decision at the May 10th special meeting to discontinue the verbal contract we have with you to haul our garbage as of May 31st, 1993. This is due to the increase of new rates as of June 1, 1993 to $700.00 per week. They have hired another firm to haul our garbage to the Marshall County Landfill as long as they are open. We will be advertising for bids to haul the garbage in July, so you may give us another bid at that time. Thank you for your past service.
