June 16, 1997

Special meeting held on June 16, 1997 was called to order by President Dennis Nelson, with Trustee Montfred M Liknes present. Bruce Likness absent. Purpose of the public hearing was to discuss the possible opting out of the State imposed landfill ban for glass, plastic, aluminum or steel containers. No-one appeared at the meeting.

A breif review of the history of the ban was discussed. Under SDCL 34A-6-67, local governemnts may opt out of an individual ban under certain conditions. In order to do so, the Town of Langford would need to complete an economic analysis of the short and long term costs of unsubsidized landfilling versus recycling.

The Town of Langford has completed an economic analysis, an estimate of the costs of landfilling versus recycling. A copy of the analysis is on file in the Finance Officers office. After discussion of the facts, it was recommended that the Town of Langford opt out of the glass, plastic, aluminum or steel containers for the reasons outlined in the analysis.

Montfred Liknes moved, second by Dennis Nelson to pass the following Resolution for the intent of opting out of the waste reduction regulation. All members present voted in favor.

WHEREAS, the Town of Langford desires to opt out of the waste reduction target schedule to be effective July 1, 1997; and

WHEREAS, the Town of Langford has hosted a public meeting and accepted comments on the reduction target; and

WHEREAS, the Town of Langford has determined that recycling glass, plastic, aluminum or steel containers will cost more than the true and total cost of un-subsidized land filling, including longterm costs of all options analyzed in the waste evaluation; and

WHEREAS, the Town of Langford will review this determination at least once every two years for this specific waste reduction target; and

WHEREAS, the governing body of Langford is requited by South Dakota law SDCL 34A-6-67, to pass a resolu tion as part of the opt out process;

NOW THEREFORE BE IT RESOLVED that the governing body of Langford opts out of the waste reduction target for glass, plastic, aluminum or steel containers.

Approved this 16th day of June 1997 by the Board of Trustees in special session at Langford, SD.

Motion was then made by Montfred Liknes, second by Dennis Nelson to give 1st reading to Ordinance No. 111, Opting Out of Waste Reduction Regulaitons. All members present voted aye.

The installation of airconditioner in the Library building was discussed. Motion was made by Montfred Liknes, second by Dennis Nelson have air installed in the building. All members voted aye.

There being no further business to come be fore the Board, motion was made by Dennis Nelson, second by Montfred Liknes to adjourn at 9:00 PM. Motion carried.
